Committee reports:

Maintenance Committee- All projects for 2025 have been completed. Laundry room walls will be scraped and painted as time allows. The men are focusing on weeding and mulching the circles and building planting areas. The gutter drainage situation is being monitored. Any gutter that appears to need cleaning again will be cleaned. Please fill out a request for maintenance. The next project in the new year will be painting the back areas outside the laundry rooms. This will be done on a "pay as we go" basis.

Social Committee- November Pot Luck had 57 residents and guests attending. We had a wonderful array of menu options. A great time was had by all. The next Pot Luck is scheduled for January 13, 2026 at 6 PM. The theme is "Hodge-Podge". Please RSVP in a timely manner so the committee can plan food accordingly. Bingo will be the 4th Tuesday of every month. Shuffleboard every Monday at 11 AM, Meditation every Thursday at 11:30 AM.

Welcoming Committee- A total of twelve units have sold so far this year. Four active listings and one foreclosure remain for sale. There are sixteen rentals and two vacant units. Kelly Kovac will be taking over the welcoming committee starting February 2026.

Landscaping Committee- Bob Lanier announced that phase 1, with a total of 3 Live Oak and 2 Redbud trees, was completed. Trees were planted in the areas behind the clubhouse and along the outer property of buildings 10 and 11. Daily watering by hose is being done by Jim, his son, and Larry. There is a budget next year to continue replacing trees.

Pool Committee- There were no issues presented concerning the pool.

Old Business- none.

New Business- Jim requested to move \$46,632.11 from the emergency reserve to the roofing reserve. The emergency reserve has not been utilized in years. Funds were accessed from the general operating budget when needed. Buildings 3,4,5, and 6 are due for new roofs in the next couple of years. This would lessen the shortage in the roofing fund and possibly reduce any future special assessments. The board voted to move the funds. Motion to accept by Geri; second by John. All in favor. Jim brought up the requirement for annual audits. He is looking for a firm with a less expensive fee for this service. Kathy mentioned that the residents could forgo an audit by vote. She asked if the 2024 audit was completed. Jim said it was, and the results were satisfactory. Jim brought up the new requirement for a website with a secure portal for resident information. This discussion will be ongoing.

Residents were allowed to ask questions.

The meeting was adjourned at 6:48 PM. Motion to accept by Dennis; second by Jim. All in favor. Next meeting January 20, 2026.
